

## KEIRAN

41500

This stunning motion collection is sure to draw attention, but lush, sophisticated aesthetics are only the beginning of the Keiran experience. Blown-fiber backs and high-density foam seats combine with pillow-top arms for unparalleled comfort that you can fully sink into. A triple-bolstered back brings a structured drama to the look, accented by double topstitch details on the back and seat. Power headrest, recline, and lumbar offer infinite opportunities for creating the perfect position, while wall-hugger technology ensures a full recline with as little as 4" of wall clearance. A full pad-over chaise leaves no part of your leg unsupported and creates a streamlined look, with a higher chair back and extended footrest that makes this collection a fitting choice for taller customers. Every smooth movement is activated with a brushed-metal switch that features integrated USB charging. An available console loveseat reveals deep storage, cupholders, more USB charging, and a grommet with optional add-ons including tablet stands, tables and LED flex lights. Bringing a more modern look to the comfort and convenience of motion furnishings, the Keiran will soon become a cherished place to recharge at the end of a long week. Only available at select retailers.
